

# Stanford Lake College

*"Families and societies are small and large versions of one another. Both are made up of people who have to work together, whose destinies are tied up with one another...And each is involved with the process of decision making, use of authority, and the seeking of common goals." Satir*

## HEADMASTER'S NEWSLETTER - SEPTEMBER 2010

Dear All,

As you are well aware, the past term has not been the easiest for us.

We had to deal with loss and tragedy and the effect of it all will remain with us for the remainder of the year.

Our students have nevertheless continued to produce good results. I would like to thank all our students, parents and staff. We stood together in these trying times and we have stayed committed.

Our Gr. 12s are showing a lot of promise and if the prelims are anything to go by, we can once again look forward to excellent final results.

There were also many highlights to the third term.

We won the Executive Mayor of Polokwane's Debating Society's Trophy for the first time.

We were also crowned Limpopo champs in Junior and Senior Small Schools Rugby. Girls' Football and Cricket had excellent results. We have certainly felt the positive effect of the World Cup. The boys have arrived in droves at the football pitch and played with passion. The cricket teams had a tough season against the bigger schools. The First XI completed their fixtures with a bang by beating Merensky, the league winners, and ended joint third with PHS.

We also welcomed our new Sports Director, Mr. Shane Friedrichs, to the College. We wish him a pleasant term of office. We will certainly see increased cricket activity in the years to come!

I will attend the annual Round Square International Conference in Thailand with the SLC delegation and will be back at the College on 18 October.

Mr. Jack will deputize. Good luck to him and our EXCO, who will see to the effective running of the College.

Enjoy the Fourth term.

Johann Ueckermann
