

Stanford Lake College

"Enthusiasm is a volcano on whose top never grows the grass of hesitation." Kahlil Gibran

15 September 2009

Dear Parents, Staff and other interested parties

We are ending the term on a very high note, literally and figuratively, with *Roots of Rock*. The two evenings promise to be an unforgettable experience. Our cast and staff have worked so hard on this production. A huge thanks to them all and best wishes for the show.

I was inundated with calls from parents who would like to attend the show and take their children home afterwards. We certainly respect this practicality and will allow all boarders [Grades 8 – 11] who wish to return to their homes to do so with their parents after the final curtain. This will allow you all to attend our magnificent razzmatazz without the pressure of an unnecessary trip to the College on Friday. Please comply with the signing out procedures.

Day Scholars [Grades 8-11] can also start their holidays on Friday. The soccer team (girls) will leave for Mafikeng on Friday morning. We also have the tennis teams [19 players] at the Sun City tournament this week.

The Grade 12s will sit their final prelim examination on Friday.

We will continue with the planting of trees to celebrate Arbour Day on Friday morning.

We will use the first Friday assembly of the fourth term for awards and presentations. Mr. Jack will send the invitations to parents.

I would like to wish Mr. Alf Noné a good retirement. Thanks to Alf for his splendid contribution. We will have a farewell party for him on Friday. The Board has appointed Mr. Richard Coetzer as our new bursar. He will start on the 1st of October.

We have had an outstanding term. Please enjoy the holidays with your children.

Boarders return on 28 September and lessons will resume on Tuesday, 29th.

*"Come on let's twist again, like we did last summer!
Yeah, let's twist again, like we did last year!"*

"Come on, let's twist again, twistin' time is here!"

Have a wonderful holiday.
