Dear All,

## Gr. 12 Results for 2011

Well done to the class of 2011 with your 100% pass rate! All 43 candidates have passed the tough IEB FET Examinations. You have kept the proud SLC record unblemished.

32 Students will be able to continue with Degree studies, 10 with Diploma studies and 1 with Higher Certificate studies. This equates to a university pass rate of 74, 4%. We were aiming for 78%. Some of the students with a Diploma study pass will apply for remarking of their scripts and this percentage might increase slightly. Our top students with averages above 80% were:

Jesome Geldenhuys, Dillen Mc Gaffin, Lizanne Steenkamp and Tumi Rampedi

Dillen Mc Gaffin achieved the most distinctions with his excellent 5x 7's and 3x 6's. Well done to Dillen, who has had a fine year overall.

Our target for distinctions for this particular group was 1,2 distinctions per candidate. The students have done slightly better with 1,25 distinctions per candidate.

We aim to beat the IEB national averages in all subjects, however, these are not yet available. We also aim to achieve more than 60% in all subjects in all grades. The students have done well and will achieve the above in most subjects:

IT 86%, Mathematical Literacy 77,9%, Life Orientation 77%, Visual Arts 70,2%, Mathematics 68,1%, Mathematics Paper 3, 68,1%, Computer Applications Theory 65,5%, English Home Language 65%, Geography 64, 8%, Life Sciences 64,5%, Accounting 59%, Physical Science 57, 8%, Afrikaans 57,5%, Economics 51,9% and History 51,9%.

I would like to thank our Gr. 12 teachers for all the countless hours they have put into this challenging group of students.

We will not release the individual results in this letter or on our website. Gr. 12 students and their parents can access the results on the IEB website and various other channels which are available through their mobiles.

Happy New Year! I hope that 2012 lives up to your expectations.

Regards

Johann Ueckermann
