MORE ALUMNI NEWS

Sean Noné [2002] capped his career at Stanford by winning the prestigious Geldenhuys Trophy [for achieving excellence in all spheres of school life – academic, sport & cultural activities]. He graduated from Wits University in 2005 with a Bachelor of Economic Science degree. In 2006 he received a Post Graduate Merit Award for contributions to the field of study and completed his Honours in Economic Science.

Whilst at university, Sean continued playing both Hockey and Cricket and represented Southern Gauteng Hockey in the u/21 Inter Provincial Tournament (IPT) in KZN in 2005.

In 2007 he was chosen as 1 of 12, from 4200 applicants, to join Liberty Life on their Graduate Development Program.

The year proved to be a successful one, including many real world learning experiences in the corporate environment, as well as, the completion of a very fulfilling Community Service Initiative (CSI) in partnership with Mr Brian Dawson and Stanford Lake College, undertaking the refurbishment of the classrooms at Apple School. In 2008 he moved from the graduate programme into Liberty Health as a Project Leader. Earlier this year he was given new responsibilities as a Business Development Manager. His key focus areas are product development, business finance analysis and the development of alternate revenue sources in the South African market space.

Hockey vs Beaulieu

The under 15 girls Hockey team played very well and won their game 5-0. The girls once again showed what a strong group they are and that they are improving with every game. Well done to Tasneem and her team!

ACTION CRICKET

Since February, a few Stanford Lake staff members and pupils have been taking part in the local Action Cricket league in Tzaneen, under the name the 'Hillbillies'. The team is currently lying mid-log in 5th place, with 6 wins and 6 losses. With improvements in every game, and after a few disappointing yet tight results, the team is now well set to make its move on the top four spots on the log and secure a spot in the semi-finals. Results aside, all who have taken part have thoroughly enjoyed themselves, and would like to thank Mr. Haarhoff for his organization and management of the side (and for not running...).

FISHING

All the competitors

The College dam was a scene of much activity last weekend, when 5 teams took to the water in a bass fishing competition. Amongst the Juniors, **Zander Osmers** caught the biggest fish. Nine Stanfordinians took part as Juniors. Entrance fees of R3 600 were kindly donated to the College.

MOUNTAIN BIKE NEWS

Results from the open Marathon Mountain Bike Race held in Polokwane on Saturday, 9th May are as follows: In the Girls' Section, Tarryn Brent won the 30 km race; in the Boys' Section, Staphan Bezuidenhout won the 30 km race and Colin Brent came second in the 60 km race. Very well done to you all!
