“SLC Squared”

Three years ago, ambition hit — and Marike Botha [pictured left] and Sean Altona set out to supply a local school with a Science laboratory.

They raised money and overcame obstacles as they encountered them. In 2008, a committee called SLC² was created. On 1 May, 2009, they achieved their aim with the help of the African Round Square delegates. On this day they opened a brand new Science laboratory at Appel School, complete with new equipment, science tables, and new textbooks. On 3 June, 2009 they exceeded even their own expectations and supplied Makome High School with all the science equipment they needed. A BIG ‘thank you’ to all our sponsors!

Successful Marketing Trip to Zimbabwe and Botswana

The Headmaster, Johann Ueckermann, was joined by Rona & Nile McGaffin [pictured right with Heath Streak] on a marketing trip to neighbouring countries last week. They made presentations in Bulawayo and Francistown. The interest shown in Stanford was excellent.

Thank you so much to Karin and Ross Johnson, and also Candy and Martin Pieters, who hosted them in Zimbabwe. Thanks, too, to Heath and Nadine Streak for the enjoyable visit to their lovely ‘farm in Africa’.

Future parents, Christine and Sean Stirling, organized the function in Botswana, while Jules and Mark Hendry, Ruth Galloway and Nicole Baptista supported the event to the full. Many thanks to you all!

Egypt 2010

A cultural trip to Egypt is being planned for 27 March to 5th April, 2010.

The travel agents, ‘**Travel and Sport**’, will be doing a presentation about the trip on **Friday, 25th July** in the **Barnyard** from 2:00pm – 3:00pm. All are welcome.

U14 Netball Champs

Congratulations to our U14 netball team who were unbeaten this season and are thus the winners of the Ritavi district in their age group. They now go through to the playoffs which will take place on Friday, 19th June at Ben Vorster. On that day they will play against four other teams who are the winners of their districts to see if they can advance. We wish them the best of luck.

“ROOTS OF ROCK” Production

If you would like to be part of this production, please reserve **Wednesday, 17 June** for a meeting in the Barnyard at 14h00. A letter has gone out to all parents, explaining where assistance is needed. **Don’t be shy – any assistance will be appreciated!** If you can’t make the meeting, please let Mrs Hollestein know how you can help, by **EMAIL** or **FAX**:
