

Peek at the Week...

- ☺ **Final week of exams for all grades**
- ☺ Friday, 26th – Final [awards] assembly at 11h00
- ☺ **Friday, 26th - End of Term – LESSONS RESUME TUESDAY, 21 JULY** [Boarders return on Monday]

GRADE 9 ASSESSMENT

Mr. Johann Snyman from Human Progress Management will be at the first Assembly next term to address the Grade 9 parents and pupils concerning the results of their assessment on subject choices and study skills. This will be done directly after the assembly. He will then also be available to see any parents and pupils on an individual basis in the dining room. Teachers will also be available to advise if necessary.

[Mrs. S. Jack]

CAREER CHOICES

Stanford Lake College would like to offer the Grade 11s career assessments early next term. Human Progress Management (HPM) offers study skills courses during school holidays after they have assessed the pupil to ascertain where they are having difficulties in studying. HPM will set aside time to have a consultation with the pupil and parents to discuss the result of the career test. Please email Mrs Jack, sjack@stanfordlakecollege.co.za if you would like your child to be tested.

U14s are Limpopo Champs!

Having won their age group in the Mopani District, the U14 netball team played in the B league play-offs on Friday, 19 June at Ben Vorster. Their first match was against Frikkie Meyer from Thabazimbi and they won easily: 29-3. Their second match was against PHS, the winners of the Capricorn District and the teams were very evenly matched. Having traded point for point until 9-9, Stanford managed to break away and win 14-11. That makes our U14 team the winners of the Limpopo B league and they will have to play in the A league next year. Congratulations to the girls and our thanks to Linda Janke, their coach.

Work Week

As discussed with the Grade 11s, and mentioned in a previous Snapshot, the Grade 11 Work Week should be undertaken either during these holidays or the September holidays. I have given the pupils various letters and forms to be completed by themselves and their employer(s). These forms must be returned to the school. The Work Week should be 5 days long and the returned documentation forms part of their Life Orientation Portfolio in Grade 12.

If your son/daughter wishes to take a Health Science course on leaving school, they will have to provide proof that they have worked in this industry and done some community work. This will serve that purpose.

If you have any queries or concerns, please contact Mrs Shirley Jack: 082 323 5132.

BASKETBALL

Basketball will be offered as an extramural next term for both boys and girls.

If you want to join in, bring a regulation basketball to school next term, clearly marked with your name.

SELECTED FOR LIMPOPO

Limpopo Boys Hockey U18

1. Stephan Bezuidenhout
2. Bradley Costa
3. Sesitwa Mohlala

Boys U16 A

1. Dillen McGaffin
2. Tam Johnson
3. Bradley Altona
4. Michael Pirie

Non Travelling Reserve

Torin Wolff

Boys U16 B

1. Torin Wolff
2. Gavin Pirie
3. Farai Chigumadzi

Very well done to you all!

LOOK WHAT THE STORK BROUGHT!

Born: Saturday, 20 June

Addressing the Business Chamber

Mr Ueckermann spoke to the Business Chamber last Friday on the topic of the intrinsic relationship between education and economic competitiveness. He explained which 21st century skills learners need to master in order to be competitive in today's economy. His talk was enjoyed by all.

SLC 1st XV outplayed Hoërskool Settlers

Stanford Lake College rugby 1st XV, looking smart in their new kit sponsored by McDonald Safaris, had many moments of glory on Saturday when they played Hoërskool Settlers in the Limpopo Small Schools' semi-final encounter at Hans Strijdom, in Naboomspruit. The team showed determination, concentration and mental toughness against a much bigger and quicker side, and romped to a 43 - 0 win.
