## Soccer Girls make SLC proud

On 18 September 2009, 19 girls, accompanied by staff and parents, travelled to Mafikeng in the Northwest, to partake in a Girls Soccer Tournament. The tournament took place at the International School of South Africa (ISSA). The girls were not expecting to reach the final round, but hard work and team spirit proved otherwise. In the final, the girls played against Sagewood College from Jo'burg. At the end of the 30 minutes, the score was at 0 – 0. The game went into penalty shoot-outs. We are proud to say that the SLC girls' soccer team came second overall out of the six teams that took part.

The girls represented Stanford Lake College on and off the field with pride, discipline and excellence. Stanford is proud to have a girls' soccer team that proved themselves able to reach for the stars and beyond. On behalf of the girls, we would like to thank everyone who made this trip possible and successful.

Miss H Kalidas
