ABOUT THE SNAPSHOT...

This is the first edition of the Snapshot for 2010. It is a weekly publication that is emailed to all of you, usually on a Friday. It contains information about the activities taking place at the College and tries to keep you up-to-date on all matters of importance pertaining to the College. It also keeps you informed of the College's sporting successes [or otherwise, occasionally] and sometimes showcases cultural achievements, too.

If you have taken pictures at a sports meet, please forward them to me with the details of where and when; or if your child has achieved something of note, please do let me know the details [accompanied by a photograph, if possible] and I will do my best to include it in the Snapshot, space permitting, of course. I would also like to thank those parents who were regular contributors last year, and ask that you continue to do so.

Alumni are also welcome to contact me with updates on their comings and goings, or their achievements, for inclusion in a Snapshot. Please always try to send a photograph as well. We really do enjoy hearing from you.

All correspondence to be addressed to Mrs Shirley George at academic@stanfordlakecollege.co.za clearly marked "Snapshot", please.

NEW FACES AT THE COLLEGE

We bid a warm welcome to our new teachers, pictured above, from left to right: Mr Steven Willson [History], Mr Jack Moshia [Accounting] and Mr Cheslyn Andrews [Economics].

There's a new face in the Accounts Department, as well. Welcome to Ms Hlami Shipalana, who takes over the Creditors position and will also coach Netball.

We wish all of you a long and happy stay at the College.

EQUESTRIAN NEWS

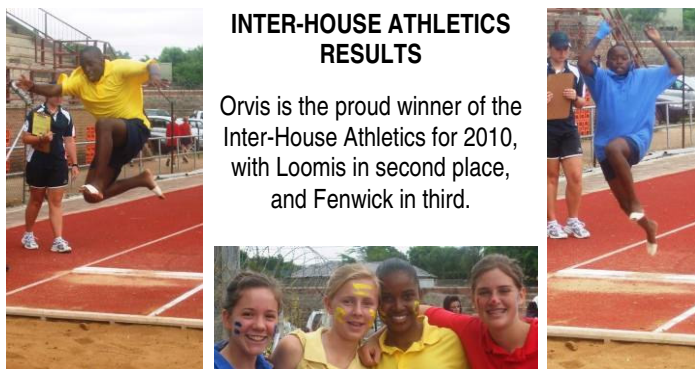

Mikayla McDonald competed in the SA Championships in Cape Town in the December holidays and achieved a personal overall 2nd place for Junior Equitation.

The Gauteng team that she represented came 3rd.

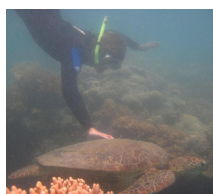

INTER-HOUSE ATHLETICS RESULTS

Orvis is the proud winner of the Inter-House Athletics for 2010, with Loomis in second place, and Fenwick in third.

NEWS FROM DOWN UNDER

Kelsey Haage received his invitation from the University of the Sunshine Coast last week. It was his first choice...next to the sea for the surfing and kite-boarding! He has been accepted for dual degree - Bachelor of Business and Bachelor of Arts.

He is currently working on Yachts and earning \$20 an hour. Working full day most days, and looks like a "Smurf" in the evenings from the blue anti-rust he has to paint on some engines. He loves earning the pocket money (about R150 an hour) and is already walking around with a brochure of Fiji under the arm. He does kickboxing in the evenings to keep fit.
