ON EXCHANGE

Anja Revelas, on exchange at Lakefield College School, UK, and her friend Carly Zubrickas, of Peterborough, enjoy a *Walk Around the World* event at the school.

The annual cultural food fair gave students an opportunity to offer food and information about their native countries to passersby in Hadden Hall.

STANFORD'S GOT TALENT!

Five Stanford pupils represented Limpopo at the SA Championships of the Performing Arts held in Rustenburg this holiday, participating against contestants from all the other provinces including a large Namibian contingent. The competition was tough in all areas, with the best of each province vying for the number one spot.

Ayden-Skye Wolff participated in Vocal events in the solo and duet categories. She achieved a gold medal for her solo performance in the Opera category, 3 gold and 3 bronze medals for her duets performed with Fafa Viljoen from Ben Vorster and 2 silver and 3 bronze medals for her duets performed with **Tsakani Chabane**. **Diba Letsoalo** and **Mologadi Monakhisi** obtained a gold medal in the Ethnic Dance category whilst **Lebo Maake** obtained a silver medal in the Ethnic Dance category.

Ayden-Skye, Diba and Mologadi have all been included in the South African team to participate in the World Championships in Los Angeles later in the year.

Congratulations to all our girls on their outstanding achievements.

GRAND TRAVERSE

The students and team were not able to complete the traverse, but they did manage from the Sentinel to Langalibalele with two summits, Cleft Peak [3277m] and Mafadi [3450m], the highest in RSA. The mountain mist was very thick and there were a couple of injuries and one Helicopter evacuation.

They needed an extra day in the Mweni area and although the students worked very hard to catch up, by Langalibalele they had spent themselves and the decision was made to cut short the trip at about the half-way mark. Never-the-less, well done on a fine attempt!

DERBY DAY AT HEUWELKRUIN

Last Saturday, the U16 and 1st Netball teams were invited to play against Heuvelkruin, PEPPS and Mid-Stream at the opening of the Heuvelkruin sports fields. It was a very well organized event with food stalls and entertainment for the many visitors. Each Netball team played 3 full matches making it a very long day. The U16s, while narrowing the margins each time, did not win any of their matches. The 1st team did better, giving Heuvelkruin and Mid-Stream some competition and beating PEPPS.

RUGBY VICTORY

The SLC rugby teams recorded convincing wins over Capricorn High School last Saturday.

The SLC u15 team won comfortably, 64 – 0, scoring at almost every possession, whilst the 1st XV started the defence of the Limpopo Small School Championship with a convincing 48 – 0 win, scoring 8 tries, 2 penalties and 1 conversation.

An intimidating team
