EQUESTRIAN RESULTS

On the weekend of 14 and 15 May, three of Stanford Lake College's horse-riders, Marelize Vermeulen, Mika Schoeman and Tamaryn Burns competed in the 2nd round of the Limpopo qualifier.

Marelize Vermeulen took a 1st place in the 1,2m competition, a 2nd in the 1m equitation, as well as two 4th places in the novice dressage on her horse Hip-Hobby. Tamaryn Burns received a 1st place in the 80cm equitation class, a third place in the 80cm show-jumping, as well as a third in the pre-novice dressage on her pony Sir Lancelot. Even though Mika Schoeman did not win a prize, she enjoyed the experience.

BEAULIEU CHESS RESULTS

Since his return to Stanford Lake College, Mr Dugald Park has taken the Chess Club under his wing. He received his reward last weekend, when the College won their chess matches against Beaulieu. It is the first time the College has ever beaten them. The score was 4 - 2 to SLC.

Well done to Nhlavutelo Mongwe, Lionel Chandler, Ashley Muhlari and Noko Setati, who won their games.

THE BEAULIEU WEEKEND

Stanford Lake College played in a Derby weekend against Beaulieu College from JHB last weekend. This was the 7th consecutive year we have played the Derby. All the matches were played in good spirit and they were well supported by parents and pupils from both schools. The highlight of the weekend was the magnificent come back from our 1st Team rugby side - trailing at half time by 12 points and ended up winning the game 27 - 22. This was a good weekend for Stanford, who dominated most sporting and cultural codes on the Day. Stanford would like to thank all parents and pupils who supported the day as a day like this can't happen without them.
