UNDER 15 GIRLS' HOCKEY: A SPECIAL MENTION

The team played against Louis Trichardt on Friday and started off very well, leading until the last 10 minutes. The team drew 1-1 but this was most definitely the best game this season. They have gone from strength to strength and the individual players have definitely improved their game skills. Candice Petty was our Player of the Match, joining Sphiwe, Nicola and Marli, who took this title in previous games. A special thanks to the whole team for an enjoyable season.

RUGBY IN THE WATERBERG

On Saturday, 4 June, the SLC 2nd Rugby Team travelled to Mokopane to play against the Waterberg High School 1st Team. It was an early start on a cold morning but the day soon got brighter. Our boys quickly established their dominance in the game, scoring an early try. The game became quite scrappy and riddled with errors. We struggled to build sustained momentum but showed some moments of brilliance, securing a comfortable 29 - 0 win over Waterberg.

VEGGIE PATCH KIDS

On Wednesday, 8 June, the Grade 8s began a community project vegetable garden to help the feeding scheme at Glenshiel Primary School. The garden was started with the planting of 60 baby cabbages. The idea is to grow vegetables that can help the community and teach the Stanford community to help others in a sustainable way.

Anyone wishing to help can germinate vegetable seedlings of any sort and bring them to Stanford, where we will add them to the garden.

The teachers in charge of this project are Mrs Margaret Freestone, Mrs Joy Park and Mr Michael Swann. You are welcome to contact them via the College on 015 276 6103.
