EQUESTRIAN NEWS

Mikayla McDonald competed in the World Cup qualifier and Natal Championships in Durban from Friday, 5th August to Tuesday, 9th August. She rode in the 1.30m adult classes and took two poles and had one time-penalty during the entire show, but a placing eluded her with the stiff adult competition being a new challenge.

Mikayla and Marelize Vermeulen have been chosen to represent Limpopo in the Higher Grade Inter Regionals on Saturday, 20th and Sunday, 21st August in Johannesburg.

GIRLS' SOCCER RESULTS

On Wednesday, the SLC girls played soccer against Capricorn. The Senior team continued their unbeaten record, with a final score of 5-2.

For the first time Stanford was able to field a Junior side, which played fantastically well. Stanford can be really proud of their motivation and enthusiasm. The first half ended 1-1; however, the final whistle left Stanford two goals down. Well done, girls!

Claire-Ann Kenney
[Gr 12] won the title of Miss Photogenic 2011 at the Letaba Expo in Tzaneen earlier this month.

Congratulations,
Claire-Ann!

CRICKET RESULTS

LAST WEEK

The U15A boys' cricket side played Tom Naude on Saturday, 13th. Tom Naude batted first and managed 214/7 off their allotted overs. After a short lunch break, SLC were bowled out, having only faced 21 of their overs, for 94. This result was a poor reflection of the game, as Stanford was competing nicely until a dropped catch proved a vital mistake.

Saturday, 13 August

Stanford Lake College won the toss and batted first. After a solid opening stand, the middle order took the attack to the Capricorn bowlers and started to score freely. There were good knocks from Gavin Pirie (60) and Tam Johnson (65). We managed to pass 300 with Tam's inning of 65 off 37 balls. It was a good batting display by Stanford. It was also a display of well disciplined bowling and fielding; we ran out their two top batsmen and the wickets were shared amongst the bowlers. It was nice to see the youngsters performing well, as some of the more experienced players were involved in the Rugby finals. Final score: 314/8 for SLC and 180 all out for Capricorn.

Thursday, 18 August

Yesterday, the boys' U15A cricket side played against Capricorn on the Capricorn main oval. Batting first, SLC made 137 runs off 22 of their allotted overs with Conrad Schmidt making 47 and Josh White a quick 19. Having got off to a slow start, Capricorn fell well short of their target, being bowled out by SLC for 78.

Special mention must be made of Julian Taylor, who took 4 wickets in 4 balls! And also Neo Baloyi, who took 4 wickets in 5.3 overs for just 17 runs. Well done, chaps... a great win!
