#### INTERACTORS HELP OUT

Gladys Morewa (pictured) started playing soccer last year, and when she attended the Vodacom Provincial referee fitness test in Seshego, suddenly discovered that she had the ability to become a referee. She has since written and passed the Level 2 qualification and was invited to referee the U/17 Limpopo Ladies Team in Mafikeng for the ABSA Women's U/19 National Championships. She loves the new direction her life has taken, and wishes to thank all her sponsors, and especially SLC's Interactors, for purchasing the clothing she needed to referee in a national game.

#### INTER HIGH MOUNTAIN BIKING

Stanford was well represented at Hartebeespoort High School last week with 18 riders. Tarryn Brent came first in her age group, Dominic Obojkovits and Stuart Hillary also did very well. The next race is in Krugerdpark on Saturday 11th of September. Straight after G11 Focus week, Gr11 tour and the Gr9 and Gr8 treks. We need good participation from everyone.

#### U/15 CRICKET

The U/15A cricket team took on their Louis Trichardt counterparts on Saturday here at Stanford. We batted first, but were unable to bat out our 50 overs, being bowled out for 128 in the 38th over. Some good knocks by Reinhard Schmidt, Matthew Muldoon and Jonty Brown (who scored 48 not out) were very encouraging. Some inaccurate bowling and missed catches in the field meant that Louis Trichardt reached our score in the 32nd over without losing a wicket, giving them a victory by 10 wickets. The team will be hard at work throughout the week to ensure that we can remedy some of the weaknesses which cost us the game on Saturday.

Some of our Matrics (below) hard at work learning to ballroom dance for their Matric Dance on Saturday. Thank you to Mrs Painter for the lessons.

We wish all the Matrics and their parents a wonderful event.

#### INTER HIGH GOLF SUCCESS

On Monday 16 August, we played inter high golf at Hans Merensky in Phalaborwa. We played against Frans du Toit, Eric Louw, Louis Trichardt and Ben Vorster – Tom Naude did not make it. These were also the schools that we played against in our league this year.

It was a very windy day and it affected almost everybody's play!

Our B team won the B division, the C team won the C division. Gavin Pirie won the best Nett score for the day with 67.

Well done guys (and girl) on a great performance and excellent rounds. You make us proud!!

#### ORVIS WINS JUNIOR AFRIKAANS PUBLIC SPEAKING

On a very cold Thursday, 12th of August, four very brave junior public speakers took part in the Afrikaans Public Speaking competition. Competing for their houses, Lindy Joubert and Roelien Prinsloo spoke for Orvis. Natasha Erasmus for Loomis and Marelize Vermeulen for Fenwick.

From Left to Right: Roelien Prinsloo, Marelize Vermeulen, Natasha Erasmus

It was a very eventful evening that our coordinator and teacher, Mrs. Boshoff, had arranged! Our judicators were Mrs. Saueremann, Mr. Andrews and Mr. Ueckermann. They were fair and just in their adjudicating and opinions. Excitement and nerves were high with all the speakers doing their prepared speeches first, then having very little time to write and prepare an unprepared speech. Roelien won with Marelize in second place. Lindy took third and Natasha fourth place.

In the end Orvis won with Fenwick in second place.

#### CASUAL DAY

Three representatives of the Association for Disabled People in Polokwane addressed the assembly on Friday ahead of Casual Day. They brought a message of awareness of people in our communities with disabilities. Casual Day will be marked by a civvies day on Thursday 2 September and the wearing of the casual day stickers on Friday 3 September. The R10 per person raised goes to projects like group homes and sheltered employment workshops for the disabled. Thank you to Shirley Jack for organising this.
