POLOKWANE DEBATING LEAGUE

On Saturday, 20 August, we attended the final round of the Polokwane Debating League. The tournament consisted of four junior rounds and four senior rounds. Our teams did exceptionally well with their usual display of prolific speech and critical analysis.

The juniors have shown significant progress since the first round in February and their performance is to be commended. Hlogi Modjela and Khanya Nkambule were nominated in the top 5 junior speakers of the day, a tremendous achievement. The seniors fought hard to win 3 of their 4 rounds very convincingly.

This team of dedicated debaters must be commended for their commitment as well as skill. The day ended with Stanford Lake College coming second in the juniors and third in the seniors, based on a speaker score tab. This is a wonderful achievement for Stanford Lake College, and we look forward to the continued success of debating at the College.

Nhlavutelo Mongwe was also unbeaten, winning three games and drawing one.
