#### GOLF TOUR

Four junior and four senior players from Stanford Lake College went on a Golf Tour to Pretoria during the recent half term. We were able to play some magnificent courses while on tour and they included Centurion Golf Estate, Blue Valley Golf Estate, Pretoria Country Club and Irene Country Club, which was one of the best on tour. Mr Jon Hyde, Mr Deon Lamminga and Mr Alan Bisset, who are members at the Tzaneen Country club, all joined us on tour and it was a pleasure to have them there. The results were as follows:

- Juniors:  
 1. Devon Lamminga  
 2. Josh White
- Seniors:  
 1. Lori Hyde  
 2. Greg Young

We would like to thank all our sponsors who kitted out the team, and supplied transport and prize money for the tour. I would also like to thank Mr Haarhoff for giving up his short break to organize and accompany the golfers on tour with me. **Shane Friedrichs**
