Five students, the Head, the Chair of the Letaba Trust and the RS Rep had a taste of British school life when they recently attended the Round Square Conference at Wellington College, in England. Opened by Queen Elizabeth II of Great Britain, the conference was attended by 1000 students and staff from 90 schools around the world and gave students the opportunity to share experiences, work on local community projects and gain an understanding of other cultures.

SLC has been a member of Round Square since 2003 and it is an invaluable part of the College's activities.

ROUND SQUARE EXCHANGE NEWS

Khensani de Klerk and Lindy Joubert are doing well at Daly College in India. Last week they came back from a tour where they visited places like the Taj Mahal. They had a good time and say they met with other exchange students.

On Wednesday they joined in the celebrations for Diwali. [See picture below]. Mrs de Klerk spoke to them on Skype on Wednesday whilst they were getting ready for the Diwali celebrations. Their host was helping them dress in their stunning saris and they looked great indeed.
