### GREAT SUCCESS FOR NOVICE DEBATING TEAM

Our Novice debating team (consisting of **Puleng Mathabatha** as first speaker, **Mpho Dagada** [both seen below] as second speaker and **Lebo Maake** as third speaker) took part in a league debate against Bokamoso Secondary School on Wednesday. They opposed the motion, "The primary solution to the global issue of xenophobia lies with the civilians of each country."

The debaters were outstanding, their preparation and clarity ensured a convincing victory by 53 points! The team is now going through to the quarter final of the league! Congratulations to Mpho Dagada who was awarded best speaker. Thank you to all the debaters and the floor, who carried themselves in an exemplary manner and spoke with confidence.

### HOCKEY: 1<sup>st</sup> Team Girls victorious once again!

The 1st team girls once again showed their prowess on the hockey field with a convincing 5-0 victory over St. Dunstan's. The biting winter wind and the determination of the St. Dunstan's girls were no match for the fiery passion of the first team. No less than five girls ran straight off the first team netball court and onto the hockey field and they must be commended for their commitment and dedication to the team. Outstanding goals were scored by Anel Schoeman, Ayden Wolff and Lizanne Steenkamp, but special mention goes to rookie 1<sup>st</sup> team player Mikayla MacDonald, for scoring two excellent goals! Lizanne was named player of the match for her consistent effort, ability to set up goals and absolute dedication.

### OUR INTERACTERS BECOME LEADERS IN THE DISTRICT

On the weekend of 14 May, four brave Interactors [Kayla McKenzie, Tristan Oliff, Kathleen Painter and Vicky Smale] from the Haenertsburg Club set off for the Ranch Hotel to join many others at the Rotary District Conference. We were involved from the word go, our first task to carry in the country's flag in a parade fashion. The days were relaxed but fruitful - in the mornings we would join the Rotarians for some of their meetings and then we would break away as the youth (being Earlyact, Interact and and Rotaract). It was a bit disappointing that there were only 9 Interactors there representing only 4 clubs in our district, but our main goal for this year is to make contact with all the other Interact groups in the district and get at least one person from each club to be at the conference next year (our secret aim is to be more than the Rotaracters). Our final meeting was to set up a game plan and goals to reach by this time next year. We voted for a District Interact Representative [which was won by yours truly], as well as a District Interact Secretary – congratulations, Kayla! I think the weekend was a huge success and a big learning curve for us. I can't wait for the year ahead and to work with the amazing people I met there.

### Impressive Hockey

SLC's U/14 and U/16 girls' hockey teams put on an impressive display against St. Dunstan's on Saturday. The U/14 team managed an astounding 7-0 victory, an impressive score for the youngest team in the school. They have shown much promise, and particular mention must be made of Cassie McGaffin and Michelle Pilusa (seen right), who played exceptionally well.

The U/16's score was no less impressive, and a 5-0 victory by this team confirmed the dominance of Stanford hockey on the day. This team has gone from strength to strength this season, and particular mention must be made of Lori Hyde, who has showed consistently good play over the course of the season! Well done to all the girls' hockey teams!
